

SEE HER TRAVEL

AN INTREPID TRAVEL
BLOG FOR
FEARLESS FEMALES

WHO AM I?

Hi! My name is Emily Kydd and I am the blogger behind See Her Travel. Hailing from Vancouver Canada, I have always had an uncontrollable case of wanderlust, and through this blog I connect my audience with the world! I love to run trails, scuba dive oceans, trek mountains, road trip countries, lay on beaches, jump off of high things, laugh with friends and end the day with a cold beer in front of a sunset!

WHAT IS THE 'SEE HER TRAVEL' BLOG?

The See Her Travel blog is a blog devoted to experiencing this world to it's fullest by exploring off the beaten path places, getting outside and appreciating our incredible environments, and always picking adventure over the couch. I believe that this life is made better when everyone, and women especially, experience lives outside of their own and learn about the wider world around them.

Created in 2015, See Her Travel hosts over 120 blog posts from diverse destinations such as Kyrgyzstan, Guyana, St. Lucia, Myanmar, Cuba and beyond. As a travel blogger, I write openly, honestly and humorously about my experiences (the good, the bad and the embarrassing!) and I have built this blog with a priority on great content that is useful to my loyal audience. The blog appeals to a wide range of travellers seeking to escape to the unknown. My storytelling style paints a robust experience for the reader to become both informed and entertained!

TESTIMONIALS

"Emily is a star at writing travel stories. Her great ability to reveal details about her experiences through creative story telling virtually transports readers to the alluring destinations she describes. Emily goes off the beaten path and truly explores the places she visits. I suppose that's why her blog articles seem so real and authentic."

Kristy Morris, Caribbean Tourism Organization

"Emily was a pleasure to work with. She exceeded my expectations by delivering content that went beyond my initial requirements. She was easy to reach, respected the deadline and communicated clearly."
